The Monthly Chatter

By: Mike Till

The Logic of a Crazy Person

Happy New Year! 2020 was a complete mess and I figure we need to start out as bad as we can in 2021 so that we can only go up from there. I needed something worse than last year. Worse than the pandemic. Worse than the botched election... worse than Ashley leaving! Then it came to me! To start the year off in the most terrible way possible... I have decided to only publish a two-page newsletter for January. Please forgive me and I am totes J/K Ashley.

Yes, our own Ashley Comer has taken a great opportunity to surround herself with thousands and thousands of dollars every day. My mom worked in a bank when I was a kid and I always thought they would let her take some of the money home, like how Navistar let Dad bring home oil plug magnets for the fridge. I will elaborate more next month, but for now check out her Charlie's Chat in the May 2017 Chatter.

Now, without further ado, the rest of the Chatter.

Coming in February...

- Memphis: The Greatest Fisherman of All Time
- Activity Schedule updates
- How Mike was bested by a pelican.
- ...and much much more!

Don't Forget!
Seasonal Camping Fees
are at their lowest before
